Joe Wilson

Brand Development Specialist | Multi Skilled Marketer

A Bit About Me

I'm a creative, results-driven marketing professional with a knack for turning bold ideas into strategies that make brands stand out and resonate.

With over 15 years of experience in brand development, marketing strategy, and digital communications, I have led campaigns that increased brand engagement by 1000's of % and directly contributed to business growth.

I thrive on uncovering a brand's unique story and translating it into powerful, cohesive content that's backed by strategic intent.

Whether it's building awareness, engaging audiences, or driving conversions, I tailor every approach to hit the mark.

My collaborative style means I'm just as comfortable brainstorming with a team as I am leading projects that bring a vision to life.

I'm a born and bred Geordie and a proud father, which keeps me grounded and I proud myself on being approachable easy to get along with.

I build real connections and foster environments where collaboration thrives.

I'm eager to bring my proven expertise in brand strategy, digital marketing, and growth-driven campaigns to organisations that want to accelerate brand awareness and drive measurable success.

My Skills

Marketing Strategy & Campaign Design

Develop and execute data-driven campaigns that boost brand visibility, lead generation, and engagement, aligning marketing with business goals for measurable ROI.

Brand Development & Positioning

Shape industry-leading brands with strong messaging, positioning, and visual identity through competitor analysis and audience research.

Performance Marketing & ROI Analysis

Leverage analytics to track performance, optimise strategies, and ensure marketing budgets drive tangible business growth.

SEO, Google Analytics & Keyword Research

Enhance organic visibility with SEO-optimised content, technical improvements, and trend analysis using Google Analytics.

CRM & Email Marketing

Create targeted, automated email sequences via HubSpot, Salesforce, and Mailchimp to nurture leads and increase customer retention.

Lead Generation & Customer Acquisition

Develop full-funnel strategies using content marketing, PPC, and inbound tactics to drive high-quality leads and conversions.

Copywriting & Storytelling

Craft compelling narratives that connect with audiences, elevate brand voice, and drive engagement across web, social, and ad copy.

Content Marketing

Build high-impact content ecosystems—blogs, video, email, and social—designed to inform, inspire, and convert.

Adobe Creative Suite & Canva

Create on-brand graphics using Photoshop, Illustrator, and Canva to enhance storytelling and engagement.

Social Media Strategy & Engagement

Develop social-first campaigns that boost engagement, audience growth, and brand authority while leveraging platform trends.

Stakeholder Relationship Management

Cultivate strong relationships with internal teams, partners, and stakeholders to align marketing with business objectives.

Event Planning & Webinars

Plan and host industry events, webinars, and networking sessions to strengthen brand positioning and community engagement.

Team Leadership & Mentoring

Lead and mentor teams, fostering a culture of creativity, collaboration, and strategic thinking.

Brand Development Specialist | Multi Skilled Marketer

Work Experience

Head of Brand Development Sep 2022 - Present
PreAction | Sunderland

Leading brand strategy and digital marketing for PreAction, driving visibility and lead generation through SEO, social media, and targeted campaigns. Managing corporate branding, content development, and event planning to strengthen engagement. Overseeing market research and competitor analysis to refine positioning and messaging. Crafting high-impact content for web, email, and campaigns while optimising performance through data-driven insights and collaboration with internal teams and external partners.

Head of Marketing Communications Jan 2023 - Present
The Energy Consultants Association | Ran By PreAction/Remote

Developing and executing marketing strategies to grow the ECA brand, increasing industry recognition and member engagement. Managing communications for 60+ stakeholders, including C-suite executives, through PR, events, and digital content. Spearheading social media, website, and content strategies to enhance brand visibility. Planning industry events, driving member retention, and leveraging data insights to refine marketing performance and ensure continued growth.

Digital Consultant Aug 2021 - Sep 2022
National World Plc | Nationwide

Advised businesses on tailored digital marketing solutions, strengthening client brands through SEO, content marketing, and paid advertising. Managed campaigns from ideation to execution, focusing on measurable impact and ROI. Led new business development, securing key partnerships and increasing engagement. Provided marketing insights, delivered workshops, and helped clients refine their digital strategies, ensuring long-term growth and visibility.

Marketing & Comms Manager Jul 2020 - Aug 2021
The Electric Board | Newcastle

Oversaw brand positioning, digital marketing, and SEO-driven content to establish The Electric Board as an industry leader. Managed social media, email marketing, and multi-channel campaigns to engage B2B audiences. Led content planning, website development, and PR initiatives to drive lead generation. Organised industry events and webinars, strengthening customer relationships and increasing brand awareness through strategic communications.

Content Marketing Manager Dec 2019 - Jul 2020
Master Debonair | Boldon

Developed and managed content strategies to enhance brand engagement and drive sales. Led photography, videography, and social media campaigns, increasing visibility and customer acquisition. Created compelling copy for product descriptions, blogs, and email marketing. Analysed audience insights to refine content approaches, contributing to a 20% sales increase. Collaborated with creative teams to ensure campaigns aligned with brand identity and commercial goals.

Senior Advisor Aug 2016 - Dec 2019
Newcastle Building Society | North East

Managed client relationships, providing tailored financial solutions across mortgages, savings, and insurance. Led business development initiatives, identifying new opportunities and improving customer acquisition. Trained and mentored junior advisors, strengthening team performance. Contributed to marketing efforts, collaborating on digital content for "Newtube" to enhance brand engagement. Organised client workshops and consultations, reinforcing brand trust and delivering personalised financial advice.

Junior Graphic Designer Sep 2008 - Aug 2016
Print North East | North East

Designed marketing materials, including brochures, posters, and digital assets, while mastering the print production process. Gained expertise in colour theory, typography, and layout design. Worked closely with clients to bring creative visions to life, meeting high-quality standards. Managed multiple projects under tight deadlines, developing strong problem-solving and time-management skills. Completed GNVQ Level 5 in Graphic Communications, specialising in pre-press, digital printing, and desktop publishing.
